

“Check Your Trees Minimise Risk”

Bus Banner · Tram Body Advertising Design Competition

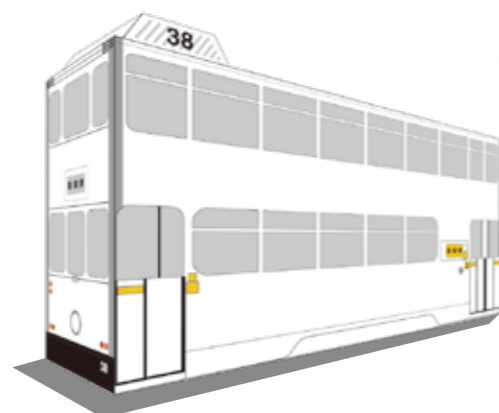

Specified Template for Tram Body Design

Method of making a 3D paper tram mock-up

- Step 1) Design and print out the specified template on A3 paper (200 gsm paper is recommended)
- Step 2) Cut out the components along the solid lines
- Step 3) Fold the parts along the dashed lines
- Step 4) Fix the interface of each component with glue or tape

3D paper tram mock-up size : 17.5cm(L) x 9cm(H) x 4.5cm(D)
(Actual size of a tram : 810cm(L) x 420cm(H) x 210cm(D))
